THE call for the primary to be held Saturday says that all known democrats will be permitted to participate in it. That ought to be clear enough. Let republicans stay out of the family affair.

HILL WITHDRAWS.—Mr. T. J. Hill, Jr., has withdrawn from the race for the democratic nomination for county attorney. He informs us that he took the step believing it was the best for the party. North and W. S. Burch in the race.

IS announcing his candidacy for assessor of Lincoln county a man uses a quarter of a page "ad" in the INTERIOR JOURNAL. He evidently believes in printer's ink and for that reason ought to be nominated.—Frankfort Journal. Look over this paper and guess who the candidate is.

THE weather behaved very badly Friday and Saturday but Sunday and yesterday were fine Winter days. Friday it "snowed and blowed" with terrific force; Saturday the wind blew from all points of the compass and the mercury stood between 10 and 15 above zero; Sunday and yesterday were bright and cold but the mercury begun its upward journey early yesterday morning. This is a splendid ice harvest and many of the fortunate farmers are filling their ice houses. The cold spell has been general and the North and Northwest has suffered greatly.

THEY are telling on Mr. Joshua D. Swope, one of the three candidates for circuit clerk, that in his rounds he called at the home of a voter who owns a large bull dog. As the story goes, Mr. Swope walked up to the door and knocked and a second later the dog jumped at him and the corpulent candidate took to his heels. The man of the house appeared about this time and yelled out, "what are you running for, Josh?" "For circuit clerk and I want you to help me all you can," replied the candidate as he continued to make tracks with the dog at his heels.

TO MY FELLOW DEMOCRATS.—Being convinced that a three-cornered contest for the nomination to the office of county attorney is undesirable and against our party's interests, I have decided to withdraw from the contest, this being the only course left to me to reduce the nomination to a contest between two candidates, as I have heretofore exhausted every effort in this direction without avail. My duty to our party now impels me to adopt this course. I shall ever remember and be very grateful to the friends who have manifested an interest in my behalf. Yours truly, T. J. Hill, Jr.

NEXT Saturday between the hours of 6 A. M. and 4 P. M. the democrats of this county will by their vote say who will be the county offices for the four years to come, beginning Jan. 1, 1910. It is the duty of every democrat to take a hand in making the selection. It is also their duty to vote for the best men offered. He is a poor citizen and democrat who does not want the best men possible to fill the offices of trust. Don't let bad weather or a rush of work keep you away, but go to your precinct and vote and see that your democratic neighbor does likewise. The irrepressible floater will of course be on hand and will vote early and often if he is permitted to. Don't let that pernicious class name the officers but be on hand and help do it yourself. You owe it to your county and your party. Do your duty.

ALL board bills at the St. Asaph Hotel must be settled at the end of each month. Farris & Hardin. 3t.

J. T. CONN, who used to live here, but who moved to Somerset some four or five years ago, will make the race for chief of police of that place. He would make an excellent officer.

IN a card announcing for re-nomination for circuit judge in the Pulaski district, Judge M. L. Jarvis says: "If elected, will continue to hand out even-handed justice at the same old stand." What more could be asked of the gentleman?

THE Ladies' Aid Society of the Baptist church of Crab Orchard will hold a Church Fair on Saturday, Feb. 13th, over Robert L. Edmiston's store-room, beginning at 9 o'clock in the morning. Refreshments will be served. Attend and help the laudable enterprise.

SALE DECLARED OFF.—On account of the bad weather the stallion and jack sale to have been held at Hustonville Feb. 10 and 11 by the Hustonville Combination Sale Co., was declared off and the 50 or 60 jacks and stallions that had been entered will be sold at the annual sale at Hustonville March 24 and 25. The stallion and jack men who had entered their stock thought it rather early for the sale and the promoters of the enterprise acceded to their request and postponed the sale until March 24 and 25.

TO the Democrats of Lincoln County:

I am in the race for assessor to stay until after the election. I am in no combination and will go into none. I am making the race on high toned principles. I have been farming all of my life and was sheriff one term and my experience in these lines has taught me the value of property.

If elected, Mr. E. D. Kennedy, who made the county one of the best assessors it ever had, will be my deputy.

I hope my friends will come out and vote and do all in their power to get others to do so.

If elected, I will make every effort to do equal and exact justice to everybody. S. M. OWENS.
